Hi, Libby.

I'm driving down alone, so I can get a fairly early start. Is there an incident command location set up yet? If not, I'll just give you a heads up as I get closer to Durango and we can determine a place to meet. I'm staying at the Holiday Inn Express.

Good luck tonight!

Cynthia

Sounds good. Public meeting starts at 6:00 tomorrow so should try to be here as early as possible to meet.

Hi, All.

Attached is a very draft and truncated ComStrat. I tried to use the time I had for the Key Messages and FAQs. Rebecca – thanks for your talking points!

As you can see, I ran out of time and there are several areas that need to be filled in (highlighted in yellow). Please use if you can. If it needs to be edited, just shoot the changes to me. I'm thinking this will be a living document that Libby and I can use in the field at least for the next 24 hours.

Libby, I'm leaving here about 3:00 to pick up a rental car and head home. I will be available there at 720-935-5354. I'm planning on leaving fairly early tomorrow morning, but there is a chance that Deb and Martin may drive down with me. In that case, I think I'll be getting a later start. In any event, I'll give you a heads up when I leave. Do you need anything from the office?

Cynthia
